PREFACE

1. This Standard Bidding Document (SBD) has been prepared by the Public Procurement and Disposal of Assets Authority (PPDA) for use by Procuring and Disposing Entities (PDEs) for the procurement of Supplies. The procedures and practices presented in this SBD have been developed to reflect the requirements of the Public Procurement and Disposal of Assets Act, 2003 and the Public Procurement and Disposal of Assets Regulation, 2014 and best international procurement practices.
2. This SBD for the Procurement of Supplies is suitable for use under the Open (International or Domestic) Bidding procurement method with or without pre-qualification. It is also suitable for the Restricted (International or Domestic) Bidding procurement method. The SBD may also be used for procurement under the Direct Procurement method with appropriate modifications to the document.
3. For procurement under the Quotation Procurement Method a simpler SBD has been developed, “the Request for Quotations and Purchase Order”, which is generally more appropriate for this method.
4. This SBD is suitable for lump-sum contracts. The User Guide to this SBD indicates the circumstances in which its use is most appropriate.
5. This SBD provides recommended wording for Technical Compliance Selection (TCS) as the preferred evaluation methodology for Supplies.
6. Before using this SBD, the user should be familiar with the PPDA Act and Regulations and should read the User Guide to this SBD which has been prepared to provide guidance to public officials in the correct use of the Standard Bidding Document (SBD) for Supply as a model for preparing an individual Bidding Document.

PPDA welcomes any feedback or comments from the users of this SBD which will assist in improving this document.

During transit, the packing shall be sufficient to withstand, without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Supplies' final destination and the absence of heavy handling facilities at all points in transit.

- 24.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC, and in any other instructions ordered by the Procuring and Disposing Entity.

25. Insurance

Unless otherwise specified in the SCC, the Supplies provided under the Contract shall be fully insured, in a freely convertible currency from an eligible country, against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterm or in the manner specified in the SCC.

- 27.2 The inspections and tests may be conducted on the premises of the Provider or its Subcontractor, at point of delivery, and/or at the Supplies' final destination, or in another place in Uganda as specified in the Statement of Requirements. Subject to GCC Sub-Clause 27.3, if conducted on the premises of the Provider or its Subcontractor, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring and Disposing Entity.
- 27.3 The Procuring and Disposing Entity or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 27.2, provided that the Procuring and Disposing Entity bears all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all travelling and board and lodging expenses.
- 27.4 Whenever the Provider is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Procuring and Disposing Entity. The Provider shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Procuring and Disposing Entity or its designated representative to attend the test and/or inspection.
- 27.5 The Procuring and Disposing Entity may require the Provider to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Supplies comply with the technical specifications codes and standards under the Contract, provided that the Provider's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Provider's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.

- 27.6 The Provider shall provide the Procuring and Disposing Entity with a report of the results of any such test and/or inspection.
- 27.7 The Procuring and Disposing Entity may reject any Supplies or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. - 27.8 The Provider agrees that neither the execution of a test and/or inspection of the Supplies or any part thereof, nor the attendance by the Procuring and Disposing Entity or its representative, nor the issue of any report pursuant to GCC Sub-Clause 27.6, shall release the Provider from any warranties or other obligations under the Contract.

28. Liquidated Damages

If so stated in the SCC and except as provided under GCC Clause 33, if the Provider fails to deliver any or all of the Supplies or perform the Related Services within the period specified in the Contract, the Procuring and Disposing Entity may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the SCC of the Contract Price for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those SCC. Once the maximum is reached, the Procuring and Disposing Entity may terminate the Contract pursuant to GCC Clause 36.

29. Warranty

- 29.1 The Provider warrants that all the Supplies are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
- 29.2 Subject to GCC Sub-Clause 23.1, the Provider further warrants that the Supplies shall be free from defects arising from any act or omission of the Provider or arising from design, materials, and workmanship, under normal use in the conditions prevailing in Uganda.
- 29.3 Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Supplies, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (18) months after the date of shipment or loading in the country of origin, whichever period concludes earlier.
- 29.4 The Procuring and Disposing Entity shall give notice to the Provider stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Procuring and Disposing Entity shall afford all reasonable opportunity for the Provider to inspect such defects.
- 29.5 Upon receipt of such notice, the Provider shall, within two weeks or such other period specified in the SCC, expeditiously repair or replace the defective Supplies or parts thereof, at no cost to the Procuring and Disposing Entity.
- 29.6 If having been notified, the Provider fails to remedy the defect within the period

specified in Sub-Clause 29.5, the Procuring and Disposing Entity may proceed to take within a reasonable period such remedial action as may be necessary, at the Provider's risk and expense and without prejudice to any other rights which the Procuring and Disposing Entity may have against the Provider under the Contract.

30. Patent Indemnity

30.1 The Provider shall, subject to the Procuring and Disposing Entity's compliance with GCC Sub-Clause 30.2, indemnify and hold harmless the Procuring and Disposing Entity and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Procuring and Disposing Entity may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

- (a) the installation of the Supplies by the Provider or their use in Uganda or where the Site is located; and
- (b) the sale in any country of the products produced by the Supplies.

Such indemnity shall not cover any use of the Supplies or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Supplies or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the Provider, pursuant to the Contract.

30.2 If any proceedings are brought or any claim is made against the Procuring and Disposing Entity arising out of the matters referred to in GCC Sub-Clause 30.1, the Procuring and Disposing Entity shall promptly give the Provider a notice thereof, and the Provider may at its own expense and in the Procuring and Disposing Entity's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.

30.3 If the Provider fails to notify the Procuring and Disposing Entity within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Procuring and Disposing Entity shall be free to conduct the same on its own behalf.

30.4 The Procuring and Disposing Entity shall, at the Provider's request, afford all available assistance to the Provider in conducting such proceedings or claim, and shall be reimbursed by the Provider for all reasonable expenses incurred in so doing.

30.5 The Procuring and Disposing Entity shall indemnify and hold harmless the Provider and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Provider may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Procuring and Disposing Entity.

31. Limitation of Liability

Except in cases of gross negligence or wilful misconduct:

- (a) neither party shall be liable to the other party for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Provider to pay liquidated damages to the Procuring and Disposing Entity; and
- (b) the aggregate liability of the Provider to the Procuring and Disposing Entity, whether under the Contract, in tort, or otherwise, shall not exceed the total contract value or such other amount specified in the SCC, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the Provider to indemnify the Procuring and Disposing Entity with respect to patent infringement.

32. Change in Laws and Regulations

Unless otherwise specified in the Contract, if after the date of the Bidding Document, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in Uganda or where the Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Provider has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.

33. Force Majeure

- 33.1 The Provider shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- 33.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Provider that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Provider. Such events may include, but not be limited to, acts of the Government of Uganda in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- 33.3 If a Force Majeure situation arises, the Provider shall promptly notify the Procuring and Disposing Entity in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring and Disposing Entity in writing, the Provider shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

34. Change Orders and Contract Amendments

- 34.1 The Procuring and Disposing Entity may at any time order the Provider through notice in accordance with GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following:

 - (b) the method of shipment or packing;
 - (c) the place of delivery; and
 - (d) the Related Services to be provided by the Provider.
- 34.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Provider's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Provider for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Provider's receipt of the Procuring and Disposing Entity's change order.
- 34.3 Prices to be charged by the Provider for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Provider for similar services.

35. Extensions of Time

- 35.1 If at any time during performance of the Contract, the Provider or its subcontractors should encounter conditions impeding timely delivery of the Supplies or completion of Related Services pursuant to GCC Clause 12, the Provider shall promptly notify the Procuring and Disposing Entity in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Provider's notice, the Procuring and Disposing Entity shall evaluate the situation and may at its discretion extend the Provider's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.
- 35.2 Except in case of Force Majeure, as provided under GCC Clause 33, a delay by the Provider in the performance of its Delivery and Completion obligations shall render the Provider liable to the imposition of liquidated damages pursuant to GCC Clause 28, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 35.1.

36. Termination

- 36.1 The Procuring and Disposing Entity may, by not less than thirty days written notice of termination to the Provider (except in the event listed in paragraph (f) below, for which there shall be a written notice of not less than sixty days), such notice to be given after the occurrence of any of the events specified in GCC Clause 36.1 (a) to (g), terminate the Contract if:
